SPEAKERS - STUDENTS AND TEACHERS OF MERCED HIGH SCHOOL

Merced High students with former internee Tom Nakashima at the Merced Assembly Center Memorial

As recipients of the Hands On History grant, Merced High School has the opportunity to give students the ability to connect with their city and community through history. Project members have partnered with the local JACL chapter so that students can explore the incarceration of local Japanese Americans during World War II. "Justice Denied: An Educational Journey into Executive Order 9066" involved Merced High School students with the guidance of teachers. They will share their project at the 2018 Day of Remembrance Banquet.

Dinner will be catered by Five.Ten.Bistro.
