

## *“Building Confidence In And Out Of the Water”*

Merced Skimmers Swim Team is non-profit youth sports organization with a 50 year history of excellence. Founded in 1960, the Skimmers began an age-group swim team providing a safe and competitive environment for local youth. That program remains in effect today, providing instruction in competitive swimming as well as water safety for children of all ages. Swimming presents boys and girls with the opportunity to have fun while developing self-confidence, physical conditioning, self-discipline, goal setting skills, time management and sportsmanship.

Merced Skimmers provides the highest level of competitive swimming in the Central Valley. Swimmers of all levels and abilities in the local area are encouraged to participate in appropriate competitions. These swim meets range from entry level meets to the Olympic Trials. Skimmers strive to meet the needs of the beginning and intermediate level swimmers while providing outreach programs to the community by teaching the life skill of swimming.

Through a strong and steady youth swim program, Merced Skimmers feeds into the four local high schools as well as the local Community College. These additional programs continue emphasizing and building on the foundation built by Merced Skimmers.

By becoming a Merced Skimmers sponsor, your dollars will continue the 50 year tradition of character building through a nurtured competitive environment in US Swimming sanctioned events throughout the State as well as Nationally. Fundraising helps to cover Merced Skimmers' expenses while allowing us to continue to offer an excellent swim program for the Central Valley community. You will also have the opportunity to reach a diverse community of individuals throughout the Central Valley.

There are several ways to assist our program. Please choose a Sponsor Level below, or any contribution will gladly be accepted.

We thank you in advance for your support.

Michael Carpenter  
President, Merced Skimmers
